

Dr. Pearson Endows Pharmacy Scholarship

Trustees Will Make Award Annually

A SCHOLARSHIP has been endowed in the School of Pharmacy of the University by the late Dr. Paul Pearson, Washington druggist, who died recently.

Under the terms of Dr. Pearson's will, the sum of \$3,000 is to be invested by the University's trustees, "the income therefrom to be used to constitute an annual award, to be known as the Dr. Paul Pearson Award." Each year the trustees will make this award to a student of the School of Pharmacy to defray his or her tuition, making such award to the person they deem shall most greatly benefit scholastically therefrom.

Educated Here

Dr. Pearson was educated at the National College of Pharmacy, which in 1906 was incorporated into the University and has now become the University's School of Pharmacy, under Dean Paul Briggs. Dr. Pearson was a practicing druggist in Washington throughout his lifetime. He operated a number of stores at various locations and at the time of his death was president of the Washington Wholesale Drug Exchange.

This was Dr. Pearson's only special bequest, the remainder of his estate going directly to his family.

This is the third gift made in recent years to the School of Pharmacy by a Washington pharmacist, or a local organization. In 1927 Dr. Malcolm G. Gibbs, '02, chairman of the board of directors of Peoples Drug Stores, established an endowment fund of \$10,000 to maintain a course in commercial pharmacy.

In 1933, the Women's Order of the National Association of Retail Druggists created a loan fund in the University to assist students in the School of Pharmacy.

Staley Speaks On Peace Economics

"THE ECONOMICS of the Next Peace" will be the topic under consideration at a joint meeting of the Academy of World Economics and the University Chapter of Delta Phi Epsilon, national foreign service fraternity, Wednesday in the council chamber of the Chamber of Commerce at 8:15 p. m.

The subject for this year is a continuation of the prophetic Academy topic of last year, "The Economics of the Next War."

The principal speaker will be Professor Eugene Staley, authority on international economic relations from the Fletcher School of Law and Diplomacy, who has been brought to Washington especially for this program. Professor Staley is the author of "World Economics in Transition," the widely discussed volume on the new world economic order.

After the principal address, a panel composed of experts on international affairs will discuss Professor Staley's interpretation of the problem. Clark Foreman, author of "The New Internationalism," will represent the Foreign Service fraternity. Other members of the panel include Dr. Amos E. Taylor, adjunct professor of economics, American University; Dr. Cleona Lewis, economist, and author from the Brookings Institution; Dr. Herbert Wright, professor of international law, Catholic University; the Rev. Dr. Wilfred A. Parsons, S. J., dean of the graduate division, Georgetown University; and Fulton Lewis Jr., news analyst of the Mutual Broadcasting System.

ODK, Faculty Will Battle On Diamond

A RESUMPTION of activity leaders-faculty sports rivalry is in prospect this spring, due to a challenge issued last week by members of Omicron Delta Kappa, men's activities honorary, and accepted by Max Farrington, athletics director, on behalf of the faculty.

Dean Mitchell Drees, President, Faculty Club, George Washington University, Dear Dr. Drees:

In past years the Omicron Delta Kappa honorary activity fraternity has challenged and played the Faculty in an annual baseball game. For the last two years, however, the fraternity, out of respect for the health and obesity of certain members of the Faculty, has not resumed this traditional rivalry. This year the officers of the fraternity have noticed that certain Faculty members, such as President Marvin and Professors Tillema, Van Evers, Benson, Doyle, Drees, Johnson, McElaine and Bolwell have reduced their girths and responded to the tonic influence of spring.

In view of this changed condition the fraternity hereby challenges the Faculty to a softball game on Saturday, June 2 at 2 p. m. This follows the examination period and leaves the rest of the summer for the Faculty to recover from any stiffness.

Sincerely,
PAUL N. YOST,
President, Faculty Club.

Farrington is reported as saying the game is "in the bag" for the faculty.

To reward backstage work, Production Manager Frank Miller selected three deserving workers to be presented with awards for outstanding production work of the season. Joan Giles, who hunted down 200 crazy props for "You Can't Take It With You," and Hermark Safer and Robert Wales, who supervised the lighting effects for every performance, were presented with books.

For "special service" to Cue and Curtain, Floyd Sparks made directors awards to the following people: Keith Adamson, Allan Dewey, Dollie Hamler, Frank Miller, Marjorie Beall, Joan Giles, Jayne Harrison, Ernest Payne, Elaine Berry, Tahmineh Imani, Eugene Lerner, Hermark Safer, Robert Wales and Don Williams.

Toastmaster Dean Kayser presented life membership cards to the following graduating members of Cue and Curtain: Muriel Friedman, Eugene M. Lerner, Ward McCabe, Stanley Segalish and Ann Tilghman.

This is the first year that Portuguese has been taught here. It has been the aim of the class to learn the language both as it is spoken in Portugal and as it is spoken in Brazil. Brazilian history and customs have been studied and a rule has been followed that Portuguese only must be spoken in the classroom.

Engineers See Demonstration Of New High-Speed Camera

Forty THOUSAND exposures per second slowed up gasoline combustion to lazy smoke clouds Tuesday night as Cearcy D. Miller, former University student, demonstrated to members of the Engineering School a new highspeed camera which he helped to develop.

The camera, fastest ever devised by man, will be extremely valuable in studying rapid, irregular motions of all kinds and in analyzing vibrations. It is also of great military value and Mr. Miller was not permitted to explain its operation.

The University Engineering School is particularly proud of the 34-year-old research engineer who was appointed directly to the National Advisory Committee of Aeronautics at Langley Field on graduation in Mechanical Engineering, 1936.

One of the outstanding aims of the College of Engineering is the discovery of such men as Cearcy, said Professor A. F. Johnson of mechanical engineering. "Such men are very rare."

Though Dr. G. W. Lewis, head of the N. A. C. A., is always eager to accept recommended University engineering students, Mr. Miller was the first man in seven years whom the University felt worthy of recommendation.

Mr. Miller is extremely good in research, Dr. Johnson explained. During undergraduate days he held jobs with the State and Treasury Departments, while carrying full-time work, 18 to 20 hours, in the Engineering School. He graduated with distinction (A's and B's) receiving a B. S. M. E. degree.

Georgetown Nine Defeats Buff Frosh

• COLONIAL FROSH concluded a 300 baseball season Tuesday with a loss to Hoyas freshmen, 7 to 2. After picking up two runs off two hits in the first inning the Colonial youngsters were stopped by the one-hit shutout pitching of Murphy. Hoyas ace, for the rest of the game. The freshmen Hoyas collected seven hits off Pitcher Silverman, including a single in the fifth scoring two runs and bringing the Hoyas from behind, and a home run in the seventh with two on.

In looking back over the season, which saw the Colonial frosh win half their games, Coach Sonny Jones said it was pretty good, though the boys fell down a bit towards the last. Greatest handicaps were a lack of practice and limited squad. Working with only three pitchers left Coach Jones, in trouble at times since no pitcher can do his best every time he takes the mound and there was nobody left to follow him.

The season record was as follows:

G. W. Frosh, 4; Maryland Frosh, 4
G. W. Frosh, 6; Central High, 5
G. W. Frosh, 10; Maryland, 11
G. W. Frosh, 14; Gonzaga Prep, 2
G. W. Frosh, 1; Georgetown, 2

Captained by tiny Roselyn Pope, the Blue team swept into a 4-1 lead in the first half. Marion Pauls threatened with three straight goals in the second half, but Roselyn Pope came all the way down the center to put the winning goal in the net.

Buff Nine Plays G. U.; Defeats W. Va., 13-4

By BILL UMSTEAD, Sports Editor

• WITH A SEASON record of eight wins and four defeats the Colonial baseball team approaches the end of its season by playing two local opponents, Georgetown and Maryland, this week. The Buff nine faced the Terps at Griffith Stadium yesterday and meets the Hoyas on the same field tomorrow afternoon.

Displaying their best offensive of the year, the Colonials walked West Virginia's Mountaineers 13-4 at Griffith Stadium Saturday, for their eighth victory of the year. Frank McGinnis turned

in another good mound performance in leading the Buffmen to their win. McGinnis allowed the visitors only eight safeties and walked one batter while fanning one man.

Gilham Leads Attack

Bobby Gilham led the Colonial attack with a triple and a single in four trips to the plate. McGinnis helped win his own game by clouting a double in the eighth with the bases loaded to drive in three runs. Coach Morris' team blasted out 13 hits, including four extra base blows. The Buff nine won the game in the fourth with a five run outburst and added three more tallies in the sixth frame. George Garber's single sent McGinnis across the plate with the winning run in the fourth inning.

Hockenberry Clouts Homer

West Virginia used three pitchers in a vain effort to stop the slugger Colonials, but all were ineffective. Catcher Charley Hockenberry hit the only home run over the Griffith Stadium right field wall this season when he smashed one of McGinnis' pitches out of the park in the fourth.

The games with Maryland and Georgetown this week give the Buffmen a chance to get revenge for two defeats at their hands this season. The Hoyas defeated the Colonials 5-0 earlier in the year while the Terps held a 9-3 decision over the Buff team. Coach Ed Morris will probably use his two mound aces, Frank McGinnis and Jack Redinger, on the slab in the two tilts.

Varsity Nine To Play In Local League

• THE VARSITY baseball team, through the efforts of Dave Osborne, former Colonial basketball star, will be represented in the Washington Industrial Baseball League this summer, the University Athletic Department announced Saturday.

Osborne, who has been working for the Reliance Life Insurance Company since his graduation last June, has arranged for the Washington office of that company to sponsor the University team in the unlimited division of that league. Vinnie DeAngelis, assistant varsity coach, will manage and play with the team, along with other former University athletes.

DeAngelis is pleased with the idea inasmuch as it will give the players much valuable experience during the summer and the results of the summer games should show in next year's intercollegiate games. All of the present members of the varsity nine, with the possible exception of Capt. George Garber and Bobby Gilham are expected to play in the league. The Colonial nine will enter the second half of the league schedule which begins in June, and is sponsored by the Washington Post.

The league games will be played on the Ellipse, and in addition to them, the Colonials plan to play several games, away on Sundays with nearby teams in Virginia and Maryland.

Green Terrors Defeat Buff Golfers, 5-4

• ALTHOUGH BILL Dillon and Jack Kieh won their matches in the varsity-freshman golf match with Western Maryland at Westminster, Thursday afternoon, the Colonial golfers were defeated 5-4. Dillon posted the lowest score of the afternoon, with a 79 for the difficult 18 hole course.

Three two-man teams faced the Western Maryland golfers. Bob Punch and Bob Groetzinger; and Sam Blackburn and Tom Grady made up the other twosomes. The Colonials were handicapped by the absence of their two star golfers, Captain Karl Betsch and Bue Fleming.

P.S.K. Defeats Tekes, 19-1; Plays T.S.R.

• PHI SIGMA KAPPA won the Greek baseball title in League A and the right to face Tau Sigma Rho for the Interfraternity Championship next Sunday by swamping Tau Kappa Epsilon 19-1 at the Ellipse last Sunday morning.

The game was a playoff of the tie for first place in League A as both the Phi Sigs and the Tekes finished the regular season with four wins and one loss. Sigma Nu handed the Phi Sigs their first defeat of the year two weeks ago to necessitate the playoff. Tau Sigma Rho won their League title with little opposition and ended the season undefeated. The two teams meet each other next Sunday morning at 11 o'clock at the Ellipse for the Greek title.

In winning their game from the Tekes the Phi Sigs unloaded a 15-hit attack behind the two-hit pitching of Dick Thompson. Thompson hurled a no-hit game for the first three innings until Al Lucyk broke the spell with a single in the fifth. Thompson fanned six batters and started a nice double play in the third inning.

Catcher Jimmy Edmunds and first baseman Joe Davis led the Phi Sig attack at the plate. Edmunds drove out four hits, including a double and three singles while Davis clouted a long triple and a single.

Buff Softballers Defeat Terps; Face Hoyas

• SWEEPING both softball games with Maryland last week, the Colonial intramural champs eagerly awaited a return game with Georgetown in the hopes of avenging a previous 4-3 defeat at their hands. Originally scheduled to be played last Friday, the contest with the Hoyas was postponed and will be played this week, Coach Bill Myers said.

The Colonials came from behind in both games to win, 11-9, and 7-3 in contests played on Monday and Tuesday of last week. The winners scored eight runs on doubles by Sjovalic and Sortal; Sam Babich's homer with two on base; and three runners to give them victory in the first game. Six walks by Pitcher Sam Babich, one hit, and three errors gave Maryland an early 7-0 lead in the second inning.

In the return game at College

Park Tuesday afternoon, the visitors rallied to win, 7-3, in a tight ball game, behind the fine hurling of Walter Weic.
